NORDSTROM NURSERIES**GALLITZIN, PENNA.**

FORESTRY - ORNAMENTAL - L. O. STOCK.

The following Seedlings are available for Spring 1949.
Wise planters will do well to line up your spring requirements at this time.

Scotch Pine---Northern timber strain. (Also called Riga, Special, etc.) The best and most rapid growing tree for timber or christmas trees. 2 yr. 2-5 in. \$3.75 per 100; \$30 per 1000

Norway Spruce---The best spruce for forestry and for christmas trees. 3 yr. 3-6 in. \$3.50 per 100; \$25 per 1000

Colorado Spruce---So called Blue Spruce. Slower growing than Norway Spruce but forms a more compact tree.
Regular seed strain. 3 yr. 3-6 in. \$3.75 per 100. \$25 per 1000
Selected seed strain 3 yr. 3-6 in. \$30 per 1000. \$4.50 per 100

Japanese Red Pine---Fine rapid grower for christmas trees up to six feet. If sheared becomes very dense. Not for timber.
3 yr. 4-8 in. \$3.50 per 100; \$25 per 1000

Douglass Fir---Northern seed strain. best for the east. Rapid grower 2 yr. 2-5 inches. \$3.00 per 100; \$20 per 1000.

Mugho Pine. A low growing pine for ornamental use only.
3 year. 2-4 inches \$4.00 per 100.

One-fourth down payment reserves your order for spring. No packing charges. Customer pays shipping charges. If wanted by mail add 15 cents per 100 or 40 cents per 1000. Up to 2000 are available. Please state nearest express office.
